Keeping you informed about...

The "all things Wedding in the Valley" website

Wide Spread Use

As we continue to examine hit information we are detecting some rather interesting trends.

It has become evident that people across North America are finding and using our web pages. From downloading our **Bridal Forms** to our **Bridal Shower** page as well as the **Tips & Hints** page, people everywhere are finding some of our more general information helpful, regardless of location.

Winter Sale!

We don't have mittens but if you order a **Premium Business Listing** before February 16th you will and receive a \$50 discount. This ad like it's name states is indeed premium and includes the following features...

- Your Logo (*you supply graphics*)
- Website & Email Links
- 3 lines of descriptive text
- A highlighted background

Standout in the crowd and get noticed and now you can do it for less.

New Categories

We have completed 2 new categories "**Decorators**" and "**Dentists**" and ahead of schedule I might add. Now it is your task to let us know if there are any errors or omissions regarding your listing.

We are now working on "**Accommodations**" and hope to have this large category ready by the end of January. This will include fancy rooms for local honeymoon retreats to places for out of town guests should your house be filled up. ☺

Annapolis Valley West

We are still slowly gathering information regarding a Digby Bridal Show. We once again urge vendors and Brides alike to please take a moment to fill out the questionnaire located on the [BRIDAL SHOWS](#) ~ page. You can also call or email us with your input. We want to cover the entire valley but your support for this event is crucial. ☺

Phone Support 4 U

Each month we have had and continue to have dozens of site surfers call us for further information on finding the specific product they are in need of. We have been doing our best to direct them accordingly to the appropriate vendors that are located in their area.

At times our office seems to be "**Wedding Central**" and always remember that we are working for YOU. ☺

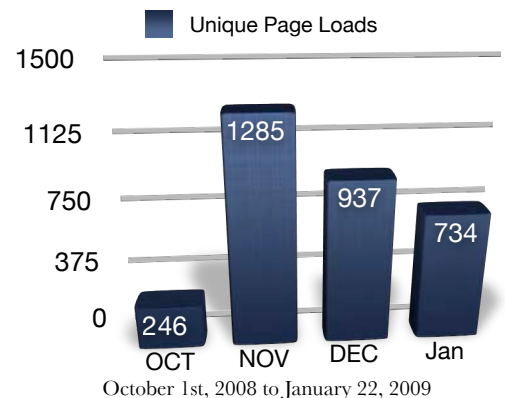

Supporting Each Other

The site is doing exactly what it was intended to, helping brides find the local vendors they need, in other words, helping them find YOU.

Your purchased ads are what allow us to support YOU by providing funding for this site, so order your ad before Feb 16th, save money and help us keep helping you. ☺

All Vendors "R" Welcome

We are striving to promote local businesses and in the process boost the valley economy. Outside Vendors are welcome on the site however the \$99 listing fee is not waved which it is the case of local vendors. This applied fee helps supports the site which runs approximately **\$250 per month** in operating costs. ☺
